

BATTLE AT THE PEAK

Colorado State USPSA Championship

2023 Sponsored by: 

September 28-October 1, 2023

(Staff match Sept 28-29, Main Match Sept 30-Oct 1)

Hosted by:

SoCo Practical Shooters

Eastern Colorado USPSA Section

Pikes Peak Gun Club

Colorado Springs, CO

MATCH INFORMATION

The 2023 Battle at the Peak Colorado State USPSA Championship Sponsored by Armscor is a Level II sanctioned USPSA match. All current USPSA rules for a Level II match will be enforced. ROs will do an equipment check for the first squad of the morning and afternoon. It is up to the competitor to ensure they are following the requirements of their division as set forth in the USPSA rulebook.

Staff match is Sept 28-29, main match is Sept 30-Oct 1.

- The match is open to all current USPSA members
- The match consists of 12 stages (no chrono)
- Round count is 306
- All official USPSA divisions will be recognized for the match:
 - Open
 - Limited
 - Limited 10
 - Production
 - Single Stack
 - Revolver
 - Carry Optics
 - Pistol Caliber Carbine (PCC)
 - Limited Optics
- Each division must have a minimum of 5 competitors for award recognition
- Individual categories will be recognized once the minimum division requirement is met.
- Classifications recognized are: GM, M, A, B, C, D
- Classification plaques will be awarded for 1st place once a minimum of 5 competitors are met, then 2nd place for 10 competitors, 3rd place for 15, and up to 4th place for 20 or more.
- Highest-placing Colorado resident for each division will be recognized.
- Stage diagrams are meant to help give an idea of the layout of a particular stage. They are not official, nor are they written in stone. Many stages will be adjusted once they are on the ground – some minor, some major. The Written Stage Brief (WSB) for each stage takes precedence.
- Scores will be synced and uploaded by Stats in the clubhouse. We will be using carbonless paper backups for each squad on every stage.
- This is a volunteer sport. Everyone working the match is volunteering their time and effort to help this match run smoothly. Some have traveled a great distance to be here in support of this match. Please thank the staff for their hard work as you go through the match this weekend, because without them, we would not have an event to enjoy.

This is a lost brass match. All brass will be donated to the staff and the range.

RANGE INFORMATION

Many thanks to Pikes Peak Gun Club staff, its BoD, Club Manager Rickey McCann, and all the members for their support and for allowing us to host this Level II match on their range. We thank them also for their logistical support prior to, during, and after the match.

- Please observe the 10 MPH speed limit. We are guests on this range, and need to observe their speed requirements.

Parking

- Please refer to the range map section for details on where you can/cannot park.
- Competitors may only park in designated areas on the North Sporting Clays course, across from the berms in Zone 1 and in the parking areas indicated near Zone 2.
- Parking at the berms is only allowed for staff and approved vendors.
- We will have a designated parking director if you have any questions about where to park.
- If you are bringing a personal golf cart or ATV to use at the match, please park your vehicle at/near the clubhouse and drive the cart down to the Rifle/Pistol berms. Do not park the vehicle towing your cart/ATV at any of the Rifle/Pistol berm areas.

Competitors are expected to actively tape and reset. ROs will be ensuring each squad assists with resetting their stage in order to keep the match flow going smoothly.

There is no WiFi available at the Rifle/Pistol berms. However, there are a few cell carriers that get decent signal in that area (some do not). It is very possible that you may be able to get to the Internet on your phone on the stages, depending on your carrier.

SPECIAL THANKS

This match would not have happened without so many people coming together, overcoming so many challenges & obstacles, putting in the legwork, driving many miles on their vehicles, spending hours rolling up their sleeves and putting in a lot of elbow grease. Special thanks to:

Regis Frank, Joel Whittington, Brent Voorhees, Jim Reid, Rodney Lim, Jon Sutter, Patrice Sutter, Dean Wollam, Brett Lohman, Eddie Abe, and Rodney Voorhees

Also -- thanks to Gene Bray, Steven Cline, Chris Oliver, Kevin Imel, and Dan Bernard for their support!

SAFETY

This is a cold range. Firearms may not be handled anywhere on PPGC grounds except in designated Safe Areas, in the function fire bay, or under the direction of an RO. Your vehicle is NOT a Safe Area.

There are Safe Areas at the ends of several berms in Zone 1 and Zone 2. We will also be setting up additional Safe Area tables at designated spots throughout the range. You may dryfire, case/uncase your firearm, and perform repairs in any of these areas. **YOU MAY NOT HANDLE AMMUNITION IN ANY SAFE AREA.**

PCC Shooters: There will be designated areas near each CoF for PCCs. Please transport your PCC in a rifle bag and case/uncase in one of these designated PCC areas. All PCC bag/unbag rules apply.

EVERYONE is required to wear eye and ear protection during the match while on the range, including spectators and children. Children are permitted on the range only under supervision. They may NOT climb the berms.

Staff can be identified by match staff shirts or NROI jerseys. They are responsible for ensuring the match runs safely and smoothly. Please follow their instructions.

Spartan Defense (vendor/sponsor) will have a booth located at the Function Fire bay. They will have guns available for test fire.

FREQUENTLY ASKED QUESTIONS

What time does the range open?

- The range is closed Monday & Tuesday except for setup staff. On Wednesday the range opens for PPGC members at 9am, but stages will not be ready for walk-throughs until 2pm.
- Range will be open from 6am-6:30pm from Thursday through Sunday.
- Match staff will be onsite each match day as early as 6am.

Do we have to check-in?

- Competitors need to stop at the PPGC clubhouse and check in for the match. You will need to verify your name, USPSA number, division, and any category information. You'll receive a swag bag, raffle ticket, and Tyvek wristbands. The wristbands are **required** to be visibly worn somewhere on your person while shooting the match. (Wrist, back of a cap, belt loop, etc.)
 - Check-in hours:
Wed 9/27 – 2-5pm
Thu 9/28 7-8:30am and 2-5pm
Fri 9/29 2-5pm, Sat 9/30 7-8am

What happened to Chrono?

- We no longer will have a chrono stage for this match. Instead, that bay (Pistol 4) has been re-assigned as a function fire/test fire bay. First shots on this bay can be taken at 7:30am, last shots at 6pm. All USPSA rules still apply while on this bay.
- All equipment rules still apply and will be followed. Power factor will be as declared.

When can we walk the stages?

- The Range Master has given permission to walk stages any time the range is open. Competitors may walk the stages provided there are no squads preparing to shoot, shooting, or scoring them.
- Shooters walking stages may NOT activate targets, movers, etc.
- During the match, unless you are on the squad currently shooting a given stage, do not step in and do a walk-through while that squad is shooting the stage.

Will there be a shooters' meeting?

- No. The Staff will be briefed first thing in the morning on Saturday, and they will have their marching orders for their first squad of the day. Competitors should report directly to their first stage.

What about awards?

- We will need help tearing down the stages after the arbitration period ends. Once the stages are torn down, we will hold the awards in the pavilion next to the clubhouse.
- Plaque winners are not required to be present to claim their trophy. They will be shipped to you if not available during the awards ceremony. Please ensure your email address and phone numbers are correct so that we may contact you if we need to ship your award.

Will there be a prize table?

- Prizes will be distributed via a raffle drawing after awards have been distributed. There will be a separate drawing for the 2 staff guns. Winners must be present to win the guns. All other prizes may be claimed by a proxy.

Are there match shirts?

- A separate email and link will be sent to competitors with information about how to purchase match shirts. There will be a set timeframe for purchasing a shirt. Then one big order will be placed with the shirt company. Your shirt will be mailed to you once they are printed and shipped.
- Staff will receive 2 complimentary staff shirts.

What about lunch?

- Lunch will be provided to the staff for each day, Thu-Sun. Those shooting with staff on Thursday & Friday may purchase lunches for distribution at the same time.
- We will have 2 food trucks onsite for lunch on each day of the main match, Sat & Sun. They have a wide variety of menu items available for purchase. A separate email will be sent to competitors with menu information about the food vendors.
- Water will be provided on all the bays.

What if I need medical attention?

- There are First Aid Kits included in every stage box for minor medical situations such as cuts, scrapes, sprains, etc. We will have EMT / First Responders on site for the main match in case of anything more. (Hopefully not.) EMT support provided by Ellicott FD.
