Welcome to the 2025 Colorado State USPSA Championships

Welcome to the 2025 Colorado State USPSA Championships which is hosted by the High Plains Practical Shooters club and Ben Lomond Gun Club range. We are excited to have the opportunity to host this match and hope that you have a great time attending the event. The items listed below are intended to be a quick reference for common questions, requirements and rules. This list is not intended to be a replacement or amendment to the USPSA Rules. This is a USPSA sanctioned match and we will be strictly adhering to USPSA rules. If you need more specific Rule definitions than what is listed below please reference the USPSA rule book for clarification. The match staff have put in a lot of work to make this match happen. If you have any questions, comments or concerns please contact the match staff and we will do our best to get you taken care of. Please be safe and enjoy the match!!!

Range Location – The Ben Lomond Gun Club is a private shooting facility which is located on the eastern Colorado plains. The street address listed below is the location of the BLGC “Front Gate”. Please use this address when navigating to the range as you may be directed to the wrong location if you generically search for the range by name on your favorite mapping app.

BLGC Street Address
22615 Co Rd 105
Simla, CO 80835

BLGC Front Gate Access – BLGC has an electronic front gate which requires the Code 24646# to Enter and Exit the range. This Code will be enabled through the full duration the match including the Thursday before and Monday after. If you are a BLGC Member you can use your Membership Access Card to Enter/Exit the range.

RV Slots – BLGC has 18 total RV Slots which have AC Power Hookups. These RV Slots do NOT support Fresh or Waste Water services. All RV water will need to be hauled into and out of the range. These RV Slots are located in front of the BLGC Club House near the Front Gate. There is a \$10 per day charge for using an RV Slot. If you are planning on using an RV Slot please contact the Match Director to make your reservation.

Camping - Competitor Camping is available throughout the range. One requirement for camping is that an existing BLGC member must also be included in the Camping group to serve as the "Member Sponsor" for all non-members camping. If you are planning on Camping please contact the Match Director to make your reservation.

Bays Used for Match – This match will be hosted on the "Competition/Special Use" bays within the BLGC facility. We will be using all 10 Competition Bays for this match. Listed below is an aerial view of the BLGC facility which shows the driving path in red from the Front Gate over to the Competition/Special Use bays along with the Competition Bay numbers.

Rules – All match rules can be found in the current edition of the USPSA Rule Book.

Cold Range – Be Safe! Firearms are not to be handled anywhere on the range except in designated Safe Areas or under the supervision of a Range Officer. Please do not handle your firearms in the parking lot or in your car while on the range property. Bring them to a Safe Area before handling

Safe Areas – Safe Areas are located in various places throughout the range for your convenience. Please use them. And remember, No ammunition may be handled in these Safe Areas.

Eye & Ear Protection - All competitors must wear eye and hearing protection while in a bay. Eye protection is required to be worn by everyone at the Range. Violators may be instructed to leave the Range.

Assist the RO's - Range Officers are here to assist you in completing a safe shooting contest. Each stage will have a dedicated CRO and RO. The squad will be responsible for resetting the stage (Taping, Painting Steel, Brassing, etc.). Help us help you run smoothly and efficiently through the match.

Brass Recovery – This match is not considered a Lost Brass Match. But if the squad is falling behind schedule the first activity that will be stopped is brassing. Please do not delay your squad by spending excessive time recovering spent brass.

Chronograph – A chronograph may or may not be used for this match. Make sure that your ammunition meets or exceeds the minimum required power factor you have declared.

Visual Barrier Scoring – All walls, barrels and other props used as visual barriers are declared as hardcover unless stated otherwise in the stage briefing. All walls are considered to extend down to the ground and upwards to infinity.

Match Scoring – We will be using Practiscore to maximize the efficiency and accuracy of the match scoring. It is the Competitors responsibility to review and confirm your score on the scoring tablet before approving your score. Scores will be uploaded to the Practiscore website frequently during the match for competitors to review their scores online.

Stay with your Squad - We ask that you stay with your squad and be on time at your scheduled stages. Do not jump stages or shoot stages in any order other than that indicated in the squadding schedule without the express consent of the RM.

Certified Match Ammo – We are partnering with [Super Vel Ammunition](#) to serve as the official Certified Match Ammo provider. If you need high quality handgun ammunition to participate in the match please use the promotion code "COSTATE" when ordering on the Super Vel website. This promotion code will provide FREE shipping of the ammo order. All of the orders will be combined into a single Freight shipment to the Match Director. The Match Director will transport the orders to the BLGC range where it can be received by competitors onsite. The Order Deadline for participating in this FREE Shipping scenario is 8/29/2025. You MUST place your order prior to that date to participate in the FREE Shipping freight shipment.

Shipping Ammo - If you need ship your ammo (Reloaded or Factory) to the match please reach out to the Match Director for shipping details. The Match Director will transport the ammo to the BLGC range where it can be received by competitors onsite.
